

Women and Gestalt Gathering

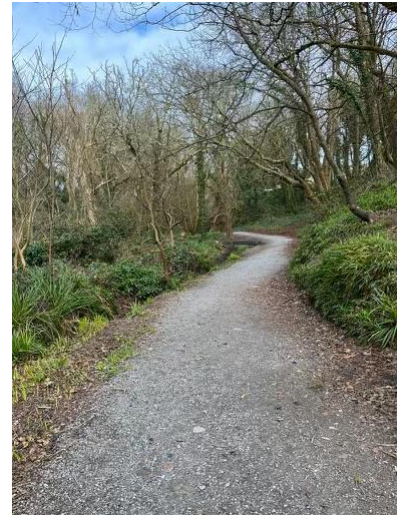

WHEN: 17th – 20th OF SEPTEMBER 2023

WHERE: THE FALLS HOTEL, ENNISTYMON, COUNTY CLARE, IRELAND

Dear Colleagues and Friends

Announcing the very first Women and Gestalt Gathering!

It will be held at the time of the Autumn Equinox and on the second day of the moon cycle in the beautiful country of Ireland. The Gathering reflects and honors the rhythms of the sacred landscape around us in Ennistymon, County Clare, and calls upon women to open more deeply to the sacred landscape and rhythms within.

With a collaborative spirit, we bring our Gestalt approach to the emergent process of co-creating our time together and exploring our experience of being in a circle of women: What is our women's work? Our passion, our pleasure, our commitment, our struggle, our responsibility? How do we meet our similarities and differences? What gets stirred? What do we turn away from and what do we move towards? How do we hold ourselves and one another as we inhabit our lives upon this beautiful earth that we share with all life?

We welcome women of all ethnicities and ages who are interested in stepping into global sisterhood.

We invite you all to join us in this individual and collective experiment.
